5th Annual LEIU 20/20 - An Event You Wont Want To Miss

On November 1, 2016, LEIU will host the 5th annual 20/20 at the Montage in Laguna Beach. The 20/20 provides a platform for individuals to share ideas, educate, and inspire law enforcement professionals.

20 instructors have been invited to speak for 20 minutes or less. At the 20/20, you will not find a prepared theme throughout the day. You will find the brightest, and the best, sharing their passions, sharing ideas.

With so many topics, there is something for everyone. Ideas can change the world and inspiration comes to us from a variety of people and places. When a collective group of professionals come together to share their experiences, passions and even untested but promising theories, a new form of learning takes place.

Tentative Topics Include:

- Weaponization of Police Robots**
- Financial Cyber Crime**
- Cascading Decisions**
- Child Abduction**
- Victim Identification**
- Officer Wellness & Emotional Survival**
- Suicide -What 1st Responders Need to Know**
- ISIS & Law Enforcement**
- Building Better Teams**
- Intelligence**
- Experiential Learning**
