## 6th Annual LEIU 20/20 - An Event You Wont Want To Miss

On November 6, 2017, LEIU will host the 6th annual 20/20 at the Montage in Laguna Beach. The 20/20 provides a unique platform for individuals to share ideas, educate, and inspire law enforcement professionals.

20 instructors will be invited to speak for 20 minutes or less. At the 20/20, you will not find a prepared theme throughout the day. You will find the brightest, and the best, sharing their passions and sharing their ideas.

With so many topics, there is something for everyone. Ideas can change the world, and inspiration comes to us from a variety of people. When a collective group of professionals come together to share their experiences, and even untested but promising theories, a new form of learning takes place.

See below for a list of some of the expected topics.
